

## Investor Contacts

The Company encourages communications with investors/shareholders throughout the year and welcomes their participation at shareholders' meetings. Four times each year, Singer Bangladesh Limited reports to its shareholders regarding its business, financial position, and earnings. An Annual General Meeting normally takes place within the first four months of each fiscal year. Among other things, the Annual General Meeting decides on the appropriation of net income, the election of the Board members, and the appointment of the Auditors. Amendments to the Memorandum and Articles of Association and any change in the Company's paid-up capital structure are approved exclusively at the Annual General Meeting and are implemented by the Board.
